MONTESSORI NIDO

MONTESSORI TODDLERS

In a landmark first for the Tricity, Vivek High School proudly unveils a trailblazing milestone in early childhood education—the Montessori Nido Programme.

Montessori Nido Programme (12 to 24 Months)

Inspired by the Italian word for "nest," our Nido environment is a warm, peaceful, home-like sanctuary thoughtfully prepared for children between 12 and 24 months. Guided by Association Montessori Internationale (AMI) principles, this stage honours the remarkable transition from infancy into early toddlerhood. As a dedicated mother–infant programme, it offers a supportive space for mothers and babies to grow, observe and discover together.
