HISTORY

Vivek High School, established on April 4, 1984, operates under the Bhagwant Singh Charitable Trust. It is a co-educational institution with English as the medium of instruction. Within a year, it gained affiliation with the Central Board of Secondary Education (CBSE), New Delhi. Founded by visionary Sardar Bhagwant Singh, the school was envisioned as a place where learning is joyful, values are upheld, and students pursue knowledge and self-improvement with dedication.

MISSION AND VISION

At Vivek High School, we are dedicated to creating a vibrant community of 21st century learners in a nurturing and dynamic environment. Students are encouraged to cultivate curiosity and open-mindedness, empowering them to explore their cosmic purpose while developing creative and critical thinking skills. We emphasize responsibility for self and society, as well as the importance of moral values. We, at Vivek believe discipline is nurtured by the individual rather than imposed by others. Discipline is viewed as essential to personal growth, while also focusing on enhancing observational skills and fostering respectful interactions.

Our Motto - Knowledge and Integrity.

The school is named 'Vivek', which means discernment, judgement and enlightenment. By empowering countless students to demonstrate keen insight and good judgement, we embody our motto of 'Knowledge and Integrity'. We have encouraged students to carve a niche for themselves in the world. At Vivek High, where knowledge is imparted alongside virtue, we provide a supportive environment to nurture their talents. Through dedicated mentorship and diverse learning opportunities, we truly mould a Vivekite to rise above the ordinary!

ACADEMIC OVERVIEW

Vivek High School's comprehensive educational approach, starting with Montessori pedagogy for early learners (18 months – 12 years) and transitioning to Cambridge and CBSE curricula (13 years – 18 years), nurtures independent, curious, and self-motivated learners. This holistic framework empowers students to think critically, take ownership of their learning, and build a strong foundation for lifelong academic success and personal growth.

At Vivek High School, we uphold a rigorous academic curriculum, particularly in Grades 11 and 12, aimed at fostering deep understanding of subjects. This commitment to excellence ensures that our students are well-prepared for higher education and real-world challenges. Our evaluation methods emphasize critical thinking, problem-solving, and application of knowledge, and while grades may reflect a more nuanced assessment of mastery, they align with our high standards of comprehensive academic achievement.

21st CENTURY SKILLS

OVERVIEW OF CURRICULUM

01	Toddlers & Kindergarten	Montessori Pedagogy
02	Lower & Upper Elementary	A blend of Montessori Pedagogy, Cambridge and CBSE Curriculum
03	Grade 7 & 8	A blend of Cambridge and CBSE Curriculum

SCHOOL CALENDAR

⇒ The academic session comprises of two terms- Term 1(April to September and Term 2 (October to March).

⇒ School timings: Monday to Wednesday (7:55 am – 2:20 pm), Thursday & Friday (7:55 am – 4:00 pm), Saturday & Sunday is off.

ASSESSMENT OVERVIEW

Grade 9 (IGCSE)

Cyclic Assessment Pattern: Each term includes formative and summative assessments.
Assessment Components: CCQs, activities, practical work, and written examinations.
Marking Scheme: Marks are allocated based on the weighting factor of each component.
External Examinations: Conducted by the Cambridge International Examinations board at the end of the two-year IGCSE program.

Grades 9-12 (CBSE)

Assessment Structure & Components: A comprehensive assessment system is in place, combining formative and summative assessments. Includes periodic tests, internal assessments, projects, assignments, practical exams, and term-end examinations.
Marking Scheme: Marks are allocated based on the weighting factor of each component.
Rubric Based Evaluation: Emphasizes on assessing the development of problem solving skills through critical challenges.
External Examinations: Conducted by CBSE for classes 10 and 12.

Grade 4-8 (Cambridge+CBSE)

Assessment Structure: A balanced approach combining subject proficiency, enrichment activities, practical work and CCQs.
Assessment Components: Periodic tests, projects, assignments, seminars, and research based essays.
Marking Scheme: Marks are allocated based on the weighting factor of each component.
Rubric Based Evaluation: Emphasizes on assessing the development of problem solving skills through critical challenges.

In Addition to this, our formative assessments, combined with a focus on cultivating habits of mind through Round Square discoveries, foster a well-rounded and holistic development for each child.

Note: Specific details regarding dates, marks distribution, and exam formats may vary slightly based on the latest **CBSE & IGCSE** guidelines and school-specific policies.

Ready for the world, shaping the future empowered by Knowledge, Guided by Integrity

Vivek High School nurtures an empowering environment where students take ownership of their learning and development. The autonomous School Council is responsible for managing school houses, upholding protocols, organizing all cultural programs ensuring all school programs are student-driven, thereby fostering accountability and teamwork. The Performance Assembly invites all students to share their talents, creating a vibrant culture of inclusivity and self-expression without judgement. With 22 Socially Useful Productive Work club options, Vivek High offers extensive opportunities in performing arts, plays/musicals for all age groups each year. These diverse programs build confidence, global awareness, practical skills, and experiential learning to help students thrive across all domains.
